Dear President Crawford:

I have just wired to you acceptance of your kind proposal that I should speak at your centenary on behalf of the foreign universities. This I have been able to arrange by getting an important meeting postponed, which has been made possible through the courtesy of the Chairman of our Board of Governors. I look forward with great pleasure to the occasion, and I hope to arrive in Meadville in good time for the celebrations.

With kind regards, I am,

Yours sincerely,

President.
